### Seminar Outline

Each call features an hour of analysis, strategy and practice tips by Angelo A. Paparelli, Jonathan C. Adams, Rebecca P. Burdette, Deborah Cusimano (CA SWA), Josie Gonzalez, Catherine L. Haight, Jeneace O' Brien (CA SWA) Danny Romans, Richard Souder (TX SWA) Sandra Stafford (FL SWA), and Joel Stewart.

The loopy challenges of modern-day labor-certification practice have caused U.S. employers and their immigration attorneys to identify with Randle Patrick McMurphy, the all-too-sane character portrayed by Jack Nicholson in the 1975 classic film *One Flew Over The Cuckoo's Nest*. In today's deranged world of alien labor certifications, rules are announced, then rules are reversed, procedures are proclaimed, and then they morph into alternate incarnations. The inmates in this virtual asylum are chanting in a frenzy, "PERM is coming, PERM is coming"; "Backlog Reduction, Backlog Reduction", but PERM never seems to arrive, and backlogs grow ever larger.

Despite the seeming insanity of the real world practice of labor-certification, foreign workers still clamor for certified ETA-750s, and legal strictures must in all events be honored. Rather than joining the lunatic fringe, shake off your anomie and sign up with ILW.com for a cutting-edge teleconference series exploring best-practices and tried-and-true labor certification solutions.
