Following the same principles that we implemented for the Immigration Implications of September 11th Tragedy seminar, we request attorneys who register for the Haiti Immigration Relief seminar, to nominate a non-profit organization to receive part of the net proceeds. The nominee must be an immigration-related organization working on a Haiti-related cause. We will not consider nominations of general relieving organizations such as the Red Cross, as we believe the proceeds should benefit organizations in the immigration law field supporting a Haitian cause.
