Seminar Outline

Many complex immigration issues require resolution with more than one government agency. Examples include H-1B and adjustment portability, 245(i) labor certification grandfathering, ACWIA issues, 212 waiver issues, changes in location or salaries of H-1Bs, changes from adjustment of status to consular processing, substitution of experience for education, J-1 issues and consular readjudication of approved petitions. Many opportunities exist to ask the INS or the DOL or the DOS for that agency's position on particular issues. However, this seminar is a rare opportunity to confront three of the most knowledgeable government officials in one forum to resolve issues where their respective agencies have taken contrary or inconsistent positions. Ron Klasko and Tammy Fox-Isicoff will present selected cross-agency issues to Jacqueline Bednarz (INS), Steve Fischel (DOS) and Harry Sheinfeld (DOL).

Each call features an hour of analysis, strategy and practice tips followed by 30 minutes of questions and answers from participants.
