ILW AT A GLANCE

- Founded in 1999, ILW is focused on immigration. ILW has two divisions: law publishing and marketing services. We are a small, customer-focused company – just under one dozen people, our offices are in mid-town Manhattan. ILW Publisher Sam Udani, has been in the immigration field for 22+ years.
- ILW's flagship product is Immigration Daily, an online newspaper sent out by email each working day to 32,000+ subscribers. During the last 12 months, Immigration Daily featured 1,500+ articles from 300+ authors. Immigration subscribers include 10,000+ attorneys, paralegals, and corporate HR personnel, 10,000+ immigrants, hundreds of people in academia, think tanks and journalists, 1,000+ officials at US Department of Labor, US Department of State, US Department of Homeland Security, and other executive branch agencies, dozens of people in courts throughout the country, many members of Congress and their staff in both parties and both Chambers on the Hill, 100+ officials in state governments across the country, and thousands of other people interested in US immigration law and policy. Immigration Daily has been quoted in published and unpublished opinions by federal courts.
- ILW is a certified Continuing Legal Education (CLE) provider for the states of Texas and California, and 8 other states by reciprocity. We have conducted over 600 CLE seminars to immigration attorneys during the last 13+ years. ILW provides immigration law CLE seminar content on Westlaw and law.com.
- ILW has published 30+ books on immigration law (most titles intended for lawyers) covering every major area of immigration law during the last 10 years. In addition, for 10+ years ILW distributes 7 immigration law titles from 3 other law publishers (American Lawyer Media, Juris Publishing, and Legal Research Bureau). ILW.COM has co-published a book with the Society of Human Resource Management.
- ILW has conducted 50+ all-day CLE workshops in most major US cities, about half of which have been on EB5 investor visas – we have also conducted events in Canada, China, UAE, Kuwait and India. Many of our events have focused on EB5 investors, not attorneys.
- ILW's newest venture, for the last 5+ years, is in providing marketing services to a small handful of law firms (about a dozen) and a small handful of EB-5 Regional Centers (about a dozen).
- ILW.COM's website has 250,000+ visitors each month, and 2,000,000+ page views each month. ILW.COM features 50,000+ pages of free immigration information online, the largest content repository for US immigration law information on the worldwideweb. For 14+ years, ILW.COM averages as approximately the 12,500th largest US website.
